## INTRODUCTION

I'm an organised person and love working with people. I enjoy learning and developing my expertise, I am quick to retain and use these skills within my work. I perform well under pressure and to time constraints using the problem solving skills I have developed. I'm happy to work within the UK and am willing to travel. I own my own car with a full clean license.

## OTHER RELEVANT EXPERIENCE

Prop Maker, July 2017 - Oct 2017  
Brandon Thatchers, Rugby  
I joined the team at Brandon Thatchers to help create props and sets for various films and TV shows. I also helped with the organisation of the workshop and stock.

Stage Manager and Producer, Sep 2014 - Aug 2016  
HSU Theatre, Sheffield  
I was the stage hand on the production of 'Bouncers and Shakers', the next semester I was Wing Manager during 'Spring Awakening'. Following this, I have produced and staged managed 'High School Musical' last semester and have recently produced 'Soho Cinders'. This has therefore exposed me to all aspects of the various roles whilst allowing me to learn how to carry out numerous positions.
