About

Professionally trained make-up artist and hair stylist with over nine years of experience applying make-up for a wide range of projects, such as; short films, corporate shoots, bridal, fashion photo shoots and catwalks. I was recently nominated for 'Best Hair & Make-up' at the NEXUS Film Awards 2019. My aim is to work on television and film as part of the make-up team. Also in 2019, I spent a day shadowing the make-up department on the set of 'Emmerdale'.

I am friendly, hardworking, well organised, punctual, a good communicator, professional and always willing to learn more.
