I am a recent graduate with a First-Class degree in BA Fine Art from Loughborough University looking to gain experience in the Film and Television industry. I have technical experience from working on student film and photography projects, with organisational skills developed from my retail and arts volunteering work.

## SKILLS

### ✚ Technical Skills

Experience with a range of mediums including photography, video, graphic design, makeup/SFX, casting, costume, painting, print-making, sculpture

Experience working in photography/video studios, including greenscreens, continuous and strobe lighting

Use of DSLR's and HDD Camcorders

Experienced use of Photoshop

Final Cut Pro

### ✚ Adaptable

worked under time and budget pressure which cultivated creative thinking and problem solving, needed to learn new skills quickly in order to achieve my goals

### ✚ Teamwork

worked in coordination with University technical staff and other students, managing a small team for my degree show project

## WORK EXPERIENCE

2019 - present: Stockroom Assistant, Next PLC. Customer service, organising stock, cash handling, working to productivity targets.

2019 - present: Volunteer at Eastside Projects gallery. Exhibition installation, invigilation, artist interviews/researching for exhibition material, general front of house.

2019: Volunteer Production Assistant at Fierce Festival. Assisting artist and welcoming the public.

2019: Volunteer Events Assistant for SHOUT Festival. General runner duties, office work and front of house.

2019: Events Assistant for Cake Masters Magazine Awards 2019.
