Media and creative experience

- Rural Media, BBC Arts & Arts Council New Creatives (writer and composer) 2019
 - As a successful applicant to the New Creatives Midlands scheme, I wrote a 15-minute radio play and produced it with the Rural Media team (also contributing original music). This was broadcast by the BBC in December 2019 (<https://www.bbc.co.uk/sounds/play/m000bvp7>)
- Ember Regis Group, Copy Writer and Social Media Executive 2018 – ongoing
 - I create and distribute blogs and social media content for the Ember Regis Group and their clients, occasionally also producing podcasts.
- Disintegration State, Musical Artist (Mute Branches) 2018 – ongoing
 - Since 2018, my long-running music project Mute Branches (<http://mutebranches.bandcamp.com/>) has released music on the indie label Disintegration State. Alongside producing music, I also work on my own art, promotional copy, and videos.
- Forge Entertainment, Crowd Runner for *Dark Mon£y* 2018
 - I worked as a crowd runner for a day of shooting on the 7th of December 2018.
- *The Noise Made By People*, director of MA dissertation documentary 2018
 - As part of my MA studies, I filmed and edited a 25-minute documentary about Birmingham's history of retro-futuristic music. The film is available to view on Vimeo (<https://vimeo.com/287966554>).
- Lost World Media, Soundtrack Composition for *Wrek* 2017
 - Worked on music and some “monster sounds” for the folk horror short film, *Wrek* (<https://youtu.be/WupLj-3cboo>)
- Creative Media, Intern 2017
 - I assisted on shoots for Creative Media, while gaining experience and learning about the media industry. Also produced two independent video projects as a part of my placement.
