Personal Interests

I'm an enthusiastic filmmaker and sound engineer and with a keen interest in music, film and sport in particular Ice hockey. I play the keyboard on a weekly basis at various events and support various community groups with media and sound support as and when I can. I also love to travel and have been to countries in Europe, Canada and America. These experiences have broadened my perspective and given me the confidence to feel comfortable in unfamiliar environments. I am very grateful for the variety of landscapes and cultures I have seen and hope to do more in the future.
