

LEON KEENAN

Director / Writer /

Cinematographer / Actor

## ABOUT ME

*Hello, I am a very versatile individual within the film industry, but my main interest is in directing. I love all aspects of making films and am always proud of projects that I have worked on as I love seeing my contribution in the end product. I'm interested in work that can be offered in any part of the production process and would love to be of help wherever I can.*
