## **Personal Statement**

I'm a zany and positive creative artist who is passionate about the work I create. I specialise in creative and transformation prosthetic makeup/ trauma and prop making. However, I can turn my hand to hair, wigs fabrication. My creative skills allow me to delve into all areas of the creative processes seen in Film, TV, Fashion and Theatre in all sectors of the makeup industry. With over 10 years of experience, multiple awards, humbling opportunities and a BA Hons in Specialist Hair and media Makeup degree, I can adapt to any scenario to deliver the best work I can offer. I work well both leading a team and following a leader as I'm a great people person who can do their job effectively, no matter the role I am playing. I work timely, professionally, efficiently, and reliably whilst retaining a huge smile on my face.

## **Education.**

Graduated – Scholarship to the University College of Birmingham – BA Hons: Specialist hair and media makeup: Awarded a 2:1

Was also awarded the “Inspire” award for my “Reputation”. 2016/2019

Was awarded the only “Memorial” award for my dedication to my degree/work. Only two people in the whole of the graduating year received this award.

University College of Birmingham -2015/2016 – Level 3 Specialist hair and media makeup – Distinction with excellence.
