

ACHILLES

FILMMAKER

I am an Actor, Director and Filmmaker. I have great passion for the arts and the creative industry.

I have experience in acting, directing and producing.

I have been performing for 2 years, live acting and screen acting. I have multiple projects I've worked on by directing and writing the script.

EXPERIENCE

FILMMAKER

BOA Stage And Screen
Production Academy

2023-2025

- Produced a 15 minute film called Face the Music, where we collaborated with broadcast. I was the director, writer and I played one of the main characters.
- Created another 15 minute short film called Human, which was a community project that focuses the issues and stigma around the LGBTQ+ Community. I helped write the script and produce the film, gaining insight on charities and keeping contact with our client. I also acted as the second main character.
- Created my own solo 5 minute short film bringing awareness to the UK education system and student mental health. I wrote, directed, acted and produced this project.
- Acted in my college escape room as the main horror character, The Farmer. I was required to wield a chainsaw and chase people out of the building.
