TESTIMONIALS

“Dearest Kellie, Thank you for all of it, all of the time, every time. I can’t tell you the difference you have made to my working life. I feel like the best of me! Love you always, Andi”

Andi Oliver, Award Winning TV Chef and Broadcaster.

“Kellie has done my make up and hair countless times, for both my BBC show and international TV show appearances. Not only is she extremely talented and skilled in making me look my best on camera, she’s an absolute joy and delight to work with.”

Rachel Khoo, International Culinary Writer, Broadcaster, Producer and Consultant.

“Kellie Licorish has a gift for seeing beauty in a face and the skill to bring it out with subtlety and grace. Beyond all that she is fun, funny and charming. For several years on the Great British Menu I looked forward to watching Kellie transform guest judges and work her magic on me as much as I did eating the creations of the chefs.”

Mathew Fort Food & Drink Editor, Award Winning Author and ex-Judge on Great British Menu.
