Videographer

About Me

I am a dedicated Year 13 Film student currently studying on the Broadcast pathway at BOA Stage and Screen since September 2023. With a strong passion for live event videography and music videos, I strive to capture the energy and emotion of every moment. My portfolio showcases a range of creative projects that reflect my unique vision and technical skills. I am excited to continue exploring the world of film and storytelling through my work. I have experience in editing, videography and cinematography.
