Relevant Work Experience

Studio Runner at Optomen Studios for Great British Menu: 02/09/24 – 27/11/24

Part of a large team producing 29 eps of factual TV. Responsibilities: meeting, driving and chaperoning talent, setting up camera equipment and on-screen props to film deadlines. Also, operating DJI Ronin Gimble, couriering rushes, and acting as an on-screen waiter. I was chosen to assist a PD on location after the studio, where I helped capture drone footage and transported kit to multiple locations.

"Ollie is a joy to work with. He's polite, capable and a quick learner. He gets on with tasks quietly and efficiently and he delivers. I would have him in my team every day of the week" Dan Davis, Series Director

Studio Runner for Oranges & Lemons at the Vectar Project: 03/12/24 – 04/12/24

Part of team to produce a 2-hour sports live stream, by communicating messages across the team and with talent, and rigging and derigging cameras and monitor equipment.

Other work experience: Wedding Waiter & Barperson, Supervisor and Barista, Tennis Coach and Podcast Project Supervisor.
