Other Information

I have a clean driving license with full motorcycle categories and a current international driving permit. I am BBC Health and Safety trained. I hold a current DBS clearance certificate. I have full £10 million Public Liability cover and I am Covid vaccinated. I'm physically fit and an avid hill walker.

I have travelled extensively in South-east Asia, Australia, Central and South America and subsequently I am fully inoculated for these areas and have a working knowledge of Spanish and basic Thai. I am accustomed to filming in foreign or sensitive surroundings and have the patience of a Buddha. I spent a year living in Kuala Lumpur working for ASTRO TV as a PSC recordist, whilst training kids fresh out of Malaysian film school how to achieve quality broadcast sound on location, so I'm not going to wilt if you take me somewhere hot!

Previous occupations include music recording engineer and front-of-house live music engineer. Interests include music, foreign travel, rockclimbing and trying to play guitar.
